

ARTISTIC RESIDENCES MAB 2020

Dear students,

Due to the imminent start of the Artistic Residences MAB2020, we are sharing some important information on activities and participation.

SCOPE OF THE EDUCATIONAL PROJECT: MAB Performing Art Residencies are artistic refinement and improvement ballet courses both intensive and recurring- As specified in the "Philosophy" section of the web page dedicated to the ARs on our website www.premiomab.it (we kindly ask you to read it carefully), they are accessible only by audition process and their attendance is subject to regular attendance to courses of studies at the school of origin, whose direction will be a privileged interlocutor for the technical themes, artistic and didactic in reference to the study path of each student. If studies are interrupted at the school of origin, learning effectiveness of the Artistic Residences shall lapse.

STUDENTS CATEGORIES: Apart from being assigned to a category based on their chosen course of study, students are divided into two categories: "artistic godchildren" and traditional students. The former are scholarship recipients and have the right to hospitality, in the terms that are illustrated below (as well as published on the website www.premiomab.it); the latter, and all accompanying persons, are entitled to an ad hoc agreement.

INFORMATION ON HOTEL ACCOMODATION: A hotel agreement has been signed for students of the MAB Art Residences and any accompanying person, at the venue of the courses: Salsomaggiore Terme - Hotel Valentini 4 **** (booking@hotelvalentini.it - +39 0524730030). Those who wish to take advantage of this agreement will be able to contact (directly and independently) the hotel. MAB does not deal with accommodation and does not act as tour operator (therefore it does not represent an interlocutor for the purposes of managing bookings and hotel services that may be required), but limits itself to guaranteeing conditions of particular advantage to its partners. Artistic godchildren, who have the right to get

accommodation if they live at a distance of more than 150 km from the place where the activities take place, will be hosted at the Hotel Valentini 4 **** (full board, in double or multiple room) must confirm their presence at least one week before the arrival date, clearly indicating next to their name, the words "artistic son for MAB". Except in exceptional cases and related to force majeure, failure to provide confirmation will result in the related costs being charged to the artistic godchild.

COURSE LOCATION: Salsomaggiore Terme Congress Center

LESSON PROGRAM and EDUCATION STAFF: The lesson schedule is online. We remind you that any subsequent organizational need may lead to minor changes. The same will be communicated by posting on the notice board at the place of activity at each session and or communicated by e-mail. Any absences related to study or work reasons will not be considered for the purpose of counting hours, in order to access to the final exam. For this purpose, written communication to the secretariat email address is required or, if it is not possible to proceed by e-mail, please inform us by fax. All MAB contacts are shown in the appropriate section of the website (www.premiomab.it). Please do not use other means to communicate with the secretary and above all not to use Social media or private numbers. This is in compliance with an adequate level of professionalism, as well as due privacy.

SPECIFICATION ON THE PRESENCE OF ACCOMPANYING PEOPLE: Accompanying people (carers) are admitted both as technicians and managers. Carers can, at the discretion of the teachers, enter the classroom during the lessons, occupying the area reserved for them and keeping an appropriate behaviour to lessons. Carers cannot (except for urgencies or causes of force majeure) interrupt the lessons for any reason, including the request for information (please refer to the secretariat, contacts are listed in the appropriate section of the site

www.premiomab.it). Communications from the secretariat will take place by e-mail (to the address provided upon registration and on-site notice board). A manager will always be present on site; for artistic, technical and educational questions the only interlocutor will be the director of the home school, or his/her delegate, whose pupils and families can address their questions. Carers are absolutely excluded from the management of plants and / or equipment. Artistic Residences' teachers do NOT have an organizational role and are not permitted to give bureaucratic and/or logistic information. The Hotel Valentini 4 **** is considered the sole contact person for the management of stays and hotel services, including ancillary services, through its own staff. The stay in the agreement provides for the full acceptance of a handbook that will be provided by the Hotel. Failure to comply with the rules indicated implies immediate termination of the conditions dedicated to MAB users. For reasons of privacy, as well as basic respect for the work of teachers and students, we point out that it is not possible in any way to take video-photographic recordings of activities. Should behaviour contrary to this rule occur even only once, the lessons will always be for all at closed doors.

DELIVERY OF THE DOCUMENTATION: On occasion of the first session of activity, each school (or each student, if enrolled on an individual basis) must deliver the documentation relating to his / her presence.
